President's Message

Summer is officially here. Don is recovering and officially got the green light to start driving. He celebrated by taking the '61 Fury for an inspection sticker. Success !!!!! Speaking of our '61, did anyone notice Don's picture with it in the recent Hemmings Motor News? It was a cruise night in May and he got an award for favorite Mopar.

Don Palmer wrote an exceptional gastronomic review of the May meeting at the Crook's in Rhode Island. Natalie always outdoes herself. 14 members enjoyed Doug Crook's re-invented museum of memorabilia. Who needs anything else at a meeting! There are loads of pictures on our web site and a good report on the meeting.

We have new members. Jerry and Roberta Adams are at 37 Horne Way in Millbury Mass. 508-865-5939. They have a 1953 Cranbrook 2dr HT. We welcome them to the club and hope they will join us at our meetings.

June 2016 Meet

The June 2016 Meet occurred at the Crooks in Rhode Island on an absolutely fantastic weather day! We had visitors from afar since Quin brought her parents from the other side of the planet. I guess the word got out!!

A sit down full course Crooks prepared dinner was served which included an assist from our Colonial Region Chef Ruops with a desert not to forget . Of course being outside was the thing to do and so the formal

outside meeting and exploring the landscape was on tap once the appetites were more than whetted. So in keeping with tradition the hoods went up at one point being the Plymouth thing to do.

Places around the working landscape to explore included the old fashion garage demanding your attention and investigation.

The eyes were filled with all the goodies inside awaiting inspection on each

wall and thru the center between garages:

There were other places to look at the center of the old fashioned garage.

If your Plymouth needed servicing then the other wall might be your desire?

Another successful meet was summarized in the formal meeting with the review of upcoming opportunities to tap into the dreams of others for the future meets. See the June 2016 Secretary Report for the subjects covered in our formal meeting including the upcoming event at the Colt State Park.

June 2016 Secretary's Report

Members present: Crooks, Palmers, Reynolds, Bill Rogers and Judy, Jim Dunlea and Qin (guests: Qin's parents)

Meeting was called to order on a perfectly clear day on the Crooks lawn after the sit down full course lunch. There will be a parade, including antique cars, in Shrewsbury, Mass. in September. Anyone interested should contact Bruce Nichols prior to July 1.

The next meeting will be at Colt State Park, Route 114, Hope Street, Bristol, R.I on July 17 at noon. The Crooks have reserved site #17 for our picnic. Jim Dunlea will bring a gas grill; members should bring something to grill for themselves and something to share with the group.

Park Entrance:

The August meeting will be hosted by the Nichols. In September, we will go to the Cape on the weekend of the 17th and 18th, hosted by the Ruops. Bill Rogers will organize the October 16 meeting in New Bedford with a visit to the oldest fire station in the area being one of our stops.

End of June 2016 Secretary Minutes
