PRESIDENT'S MESSAGE

Happy REAL Spring Colonial car enthusiasts. We are finally getting better weather and better news. Thanks to vaccines and lower Covid infections, we can start up our club activities again. For awhile we will still use social distancing and masks for unvaccinated folks and any who wish to wear one. Our first activities will be outdoors.

Bruce and Judi Nichols have planned a road tour on Sunday May 16 as promised. It will be on country roads with a 40 to 45mph ride starting in Sturbridge, MA. Bruce is expecting to give drivers a copy of directions and destinations in case we get separated. The route is Sturbridge to Holland to see the tulips. (Mass) Then on to Woodstock, CT and ending in Thompson. We will meet at the Yankee Peddler antique store parking lot on route 20 at 11:30 am. **Leave at 11:45 am** Bruce would appreciate a call to know who to expect. Please call him before the 15th. His phone is listed below. So dust off your favorite antique and join us for a nice time. We will end with an ice cream treat.

I haven't heard from anyone that plans to attend the National meet in Ill, so I assume no one is going and will pass that on to the Lincoln Land region.

For any members who remember Bob and Sue Douglass, they have moved into assisted living in Wareham, Mass. I do not have their new address. The phone number is still the same.

Don Palmer has done some updating of the web site "about us" info, and also with member's cars. So take a look. You may find some new articles, also. Anyone can submit one.

Don Whitman sold his 1961 Plymouth Fury and replaced it with his lifelong dream car, a 1954 Plymouth Belvedere HT. He bought it from Jim Benjaminson's dad. He is considering selling his 1957 Fury HT but I will believe it when I see it.
