

COLONIAL REGION PLYMOUTH CLUB MEETING: February 11, 2018

Members present: Crooks, Whitmans, Ruops, Dunleas, Heiligmanns, O'Connors, Palmers, Nichols, Tom Dorward

Secretary's and Treasurer's Reports were accepted.

Membership was discussed. Russ Nardi wrote an email to all Regions reminding everyone that all members must join the National Club prior to joining a local Region. The National Club wants to increase membership in the local Regions. Bruce has been sending out bulletins, registration forms, etc to potential members. Don P receives some inquiries on the website. Bruce will put together a flyer for interested people. Don P. was commended for his work on the website which now includes parts for sale. The question was asked as to whether or not the parts for sale could be added to the mailed newsletters. Don will investigate.

The Grand National Meet will be held near Detroit on July 24-28. Information is in the Bulletin. Included in the Bulletin is the ballot for National Officers.

A motion was made and passed to renew the Club's membership in MAAC.

The next meetings and events were discussed:

March 18 – IOKA Valley Farm in Hancock, MA hosted by the Whitmans

April 15 – Stafford Springs Car Show (CT)

May 20 – Trolley Museum, East Windsor, CT hosted by the Palmers

Crooks suggested a car museum and diner in Portsmouth RI to be held during the summer

Bruce is looking into visiting a restoration shop in Southern NH. Date is to be determined.

The Dunleas will host a meeting at their new farm in Woodstock, CT later in the summer

Respectfully submitted,

Jane Palmer, Secretary
