MAY 2018

Finally!!!! Spring! Now we can all get our antique and classic Plymouths out and about. BUT—the potholes are not all repaired yet so be careful.

The weather was not ideal for the annual spring auto flea market and swap meet in Stafford Springs, however there were still brave souls packing the track. That included Vince Ruops and Don Palmer. Don has some nice pictures on our web site along with notes from the day.

Don is still improving the web site content by including any antique or classic Plymouth for sale, not just by the Colonial Region members. That actually helps our club in case someone is looking for a different Plymouth for their collection. Don has also added a new category titled – Swap meets, Car shows, Cruises, and Tours. If you have an event to advertise, please let Don know. If you are interested in attending any they will be listed there.

Bruce Nichols has been working on a nice brochure to hand out at shows, etc. He will be bringing samples to a meeting soon. We will need to discuss price and ordering details.

There are no new technical articles this month.
